MY FUTURE

- ✘ My time at Endeavor allowed me to get an inside look at a wide-variety of industries, from banking to consulting to tech, and learn what it takes to start a new business.
- ✘ Working for an NGO has prodded me to look at how civil society organizations interact with the official political infrastructure of Arab states, a topic I may pursue for my thesis.

CONCLUSION

- ✘ My time with Endeavor Jordan broadened my cultural understanding of the Arab world and allowed me to experience the Middle East on my own terms.
